ROBERT STORER

Named as Captain of 1913 c Eleven by Majority of Team-Mates.

Cambridge, Mass. January 15.—
Next fall the Harvard varsity football learn will be led by Robert T. P. Streen of Boston, who, at a meeting of the varsity players to day, was elected captain for 1812. Storer has played two rears on the varsity team, being all left tackle last fall, and scoring Harvard's first touchdown in the Yale game, and thus being the first Crimson feotball player who had crossed the Blue's wal line since 180.
The only other prominent candidate for the captaintry was Rest Hitchrock, who has played tackle for two years at Harvard, but Storer got the larger vote, which was made transmous.
Storer is twenty rears old stands five feet nine inches, and weighs to pounds. He is very active, strong and well set up. He is expected to make a good leader, and will play in bis side position unless Tutor Gardner should return to the game, in which case Storer possibly would return to denire.

SOPHOMORES ARE

Defeat Seniors in Basketball for Class Honors at Trinity.

Wake Forest, N. C., January II.—
In the deciding same of the series the Sophomores to-night defeated the Juniors for the class championship in basketball by the close score of II to 9. Owing to the necessity of playing the class games in football and basketball in unreasonable weather, the class games in basketball always arouse a great deal of interest among the student body and the people on the bill.

BASKETBALL SCHEDULE DELAYED.

Trinity Manager Thable to Announce Dates For All Games for Quint.

Trinity College, Durham, N. C., January 15.—Owing to delays for which he is not altogether responsible. Manager J. A. Band, of the busketball team, announces that his schedule in full can not be announced for several days, though the season is well advanced. The five-day trip that was made just prior to the Christmas holidays served to show that Trinity had nothing to fear in the way of putting out a successful team that way of putting out a successful team the way of putting out a successful team this year. Five games were played, of which Trinity took two, the aggregation breaking even in a series of two contests and colored the counting to the characteristics.
